Dear Alumni, Parents and Friends of Tufts,

From the old-world sophistication of Portugal and the artistic riches of Spain's Basque country to the Celtic heritage of Brittany and the timeless elegance of London, a riveting canvas of influential seaports awaits you along Europe's Atlantic coastline. This exclusive, Five-Star, small ship itinerary—including an excursion to the storied and solemn shores of Normandy in commemoration of the **75th anniversary of the D-Day Invasion**—features the captivating histories and enduring cultural legacies of these European Coastal Civilizations. Joining you for a portion of the cruise to share distinctive insights and accompanying you to the Normandy beaches is special guest speaker David Eisenhower, grandson of General and President Dwight D. Eisenhower—Supreme Commander of the Allied forces during World War II.

Along with alumni from our like-minded partner institutions on this departure, Brown, William & Mary and Virginia Tech, cruise for eight nights aboard the exclusively chartered, **Five-Star LE BORÉAL**, featuring only 110 Suites and Staterooms. Dock in small ports of call inaccessible to larger vessels and enjoy the advantages of Five-Star, small ship cruising—stately ocean-view accommodations, enriching excursions and attentive, personal service.

Visit three UNESCO World Heritage sites, including the magnificent Mont-St-Michel and its impressive abbey that appears to rise out of the sea; Santiago de Compostela, where you will walk in the footsteps of medieval pilgrims to visit the tomb of St. James; and Oporto, the center of world-famous port wine and exemplary Moorish architecture. Cruise Spain's ruggedly beautiful Costa Verde, tour the Frank Gehry-designed Guggenheim Museum in Bilbao, and cruise up the River Thames to spend one night aboard ship a stone's throw from the illustrious Tower Bridge in the heart of London. This popular program, featuring an included cultural excursion in each port, is an excellent value. Reserve now while space and Early Booking Savings are available!

Dock in Leixões and transfer to Oporto, a former Roman outpost and the center of the port wine trade since the 13th century. The city is indelibly influenced by the Moorish period, when Greek and Roman heritages, along with a coalescence of faiths, created a culture of tolerance in which the disciplines of mathematics, medicine, optics, horticulture, art and architecture flourished.

St. Malo for Mont-St-Michel, France

Saturday, May 11

Rising from a tidal plain seemingly suspended above the sea, UNESCO World Heritage-designated Mont-St-Michel is a majestic sight of soaring spires isolated beyond a stretch of saltwater marsh. The seat of its namesake Benedictine monastery since the early eighth century, this fortified village began as a humble oratory and continued to grow in influence to become a renowned medieval center of learning. Narrow cobblestone streets weave through the village, culminating in the Abbaye du Mont-St-Michel, a three-story Gothic masterpiece. Admire the monastery's tranquil cloisters, refectory and stained-glass windows.

Dock in Caen and travel to the historic Normandy beaches. In the company of Professor Eisenhower, walk where Allied forces landed on D-Day.

Flat-bottomed rabelos transport oak casks of port wine to the port lodges of Oporto.

At Pointe du Hoc, envision the heroic U.S. Army Second Ranger Battalion scaling this cliff promontory, and survey the serene English Channel. Then, contemplate the solemn commemorative crosses and Stars of David in the American Military Cemetery at Colleville-sur-Mer.

Following lunch, continue to Arromanches to see the remnants of Mulberry Harbor, constructed by the British to support Allied landings on the Normandy beaches. View a wraparound short film documenting the D-Day campaign at the Arromanches 360 Circular Cinema, or choose to see the famous 230-foot-long Bayeux Tapestry, a visual chronicle of the Norman Conquest of 1066.
