

TUFTS REUNION WEEKEND

January 27, 2021

Dear Jumbos,

I am writing to share an update with you regarding class reunions in 2021. Although the news about vaccine distribution is very promising, we anticipate restrictions on travel and public gatherings to remain in effect throughout the spring and possibly longer. Therefore, we have made the decision to hold virtual class reunions in 2021. This was a difficult decision to make; however, we feel that it is vitally important for the university to do its part to prevent the spread of COVID-19 and to protect those in our extended community who are vulnerable to the pandemic. For more information how this difficult decision was made, read our [reunion FAQs](#). A separate decision will be made later regarding an in-person commencement ceremony for the Classes of 2020 and 2021.

Virtual class reunions and other digital events will take place from May 13 – 22. Please visit [go.tufts.edu/reunions](https://go.tufts.edu/reunions) for more information on our 2021 reunion plans. We would welcome your ideas on virtual activities for your class, so please feel free to share those with us at [reunionweekend@tufts.edu](mailto:reunionweekend@tufts.edu).

I thank you for your patience and understanding as we all continue to navigate our way through the ongoing COVID-19 pandemic. I hope that you and your loved ones stay safe and healthy in the coming months.

We look forward to your participation in the 2021 virtual reunions!

Best Regards,
