The stories are not of royalty or conquest, but of people who lived and labored. Their stories are told in the arts and crafts, in the architecture and art, in the food and wine, and in the stories you will hear from the guides who know the region like the back of their hands.

The Amadeus fleet of fine river ships has defined the art of cruising on the great rivers of Europe. As you board the Amadeus Silver II, you’ll sense an ambiance evocative of a grand European hotel. The experience begins the moment you enter the ship, gratuities for guide and driver, and all taxes and service charges.
