## THE SAVOY EXPERIENCE

FEATURING THE TUFTS EUROPEAN CENTER

SEPTEMBER 27<sup>TH</sup> - OCTOBER 6<sup>TH</sup> 2022

Tufts University's European Center in Talloires, France has hosted many Tufts students since it was inaugurated in 1979. It is housed in a beautiful medieval priory, dating from 1031 CE. It was the gift of Donald and Charlotte McJannet, long time educators, who, after their war time experiences, realized the value of truly international education. It is also used today as a home for a variety of international conferences, all of which address the McJannet's original mission of facilitating and promoting international understanding.

Our three days in Talloires will be spent at the wonderful Abbaye de Talloires hotel (subject to final confirmation), set on the lake shore next to the European Center. In fact, it was once the monk's accommodation for the Priory.

We then cross over the French Alps into Italy and spend the rest of the tour based in Turin. The ancient Duchy of Savoy's territory stretched from Lake Geneva in the north to Nice on the Mediterranean coast and spanned both sides of the Western Alps (it also included the island of Sardinia). The House of Savoy was the longest surviving royal house in Europe, ruling these lands continuously from 1003 to 1860.

For some of you this will be a trip down memory lane, reliving those carefree student days, for others it will be an introduction to an incredibly beautiful part of the world, nestled either side of the French Alps. Join us this autumn for a trip to *Talloires & Turin*. What better way to celebrate 20 years of traveling and learning than to join us this spring for a trip to Talloires & Turin!

The afternoon and evening are free for personal exploration, but don't miss a visit to the Palazzo dell'Accademia della Scienza.
